## Spring Symposium 2020 – Workshop Session Chat and Polls

### 3D Dual Credit Rescue

#### Chat

Colleen McPhee Millar: Welcome to the Dual Credit Rescue workshop. I will be your moderator today.

Joanne Harris, UGDSB: Working closely with Student Success teachers in each school (as well as Guidance) as they already know these students

Sarah Bereziuk, HWCDSB: We use credit accumulation summaries for dual credit rescue

Joanne Harris, UGDSB: We had to implement this model with cancelled dual credit programs -- instead of replacing with a Dual Credit course, we replaced with GLN4O, GLS4O and PPZ3C and hired teachers through night school; For next year, might implement similar program with DC course instead.

Michael Sullivan: Is there a concern about students missing out on the college life experience

Sheri Ozbolt: Definitely! I agree with Michael. This is the sell...

Leah -HDSB: would it be possible to run as blended? 2 hours in person, 2 hours online?

Michael Sullivan: Awesome thanks.

Joanne Harris, UGDSB: Host outside of a high school...for some students, coming back into a high school environment is the issue

Leah -HDSB: it would be great for early leavers, I think college 101 would be very authentic

Sheri Ozbolt: Absolutely! Gives students exposure to the college and away from younger students.

Sofia Kalogiros: This model will be key next school year especially if we have more student short credits due to COVID

Bryan Ledgerwood: The SHAE Program

Bryan Ledgerwood: Strengthening Hamilton Aboriginal Education
