### **Spring Symposium 2020 – Workshop Session Chat and Polls**

#### **4C Level I Apprenticeship In-School Training Dual Credits**

#### **Chat**

Laura Elliott: Welcome everyone! I am the moderator for this session and joining me are our two Facilitators - John Kantola and Kevin Hotten.

Amelia Rodgers - Tech Support: Hi, I'm here to assist with any technical questions or difficulties you may have. Please post your questions here and I will try to resolve them. I hope you enjoy the symposium!

Laura Elliott: As we get started, please introduce yourself in the Chat Introductions box - include your role and board:)

Sonja Vandermeer: What can you/will you do for your student John?

Derek Sousa: The Apprenticeship, the apprenticeship program is a fantastic program for someone thinking about going into a trade I completed a four-year apprenticeship as a carpenter back in 2009

John Kantola RPT11: the student is going to graduate with other credits BUT the local ministry office may offer her a seat in level I and we also have the motive power program to offer her

Sonja Vandermeer: Hi Derek, were you in OYAP?

Derek Sousa: No, I wasn't unfortunately, it wasn't available in my high school back then

Karen Gauthier - RPT15 Algoma - Co-Chair: Cook is 3 credit, run that one as a dual credit at Sault College.

Derek Sousa: When I did my apprenticeship, we had Basic, Intermediate and Advance. Is the Level 1 the same as basic?

John Kantola RPT11: yes Derek

Sonja Vandermeer: not many team-taught dual credits in the province.

Karen Gauthier - RPT15 Algoma - Co-Chair: Just checked the list of dual credit CODES and Welding is also listed as a 3 credit program.

Derek Sousa: students at St. Augustine do an 8-week level 1 through the Carpenters Union. while in co-op

Sonja Vandermeer: This has become a more popular model.

Sonja Vandermeer: More info on Oversight is on the SCWI website. It might be an interesting option where shops at college are full next year.

Sonja Vandermeer: I know there are some awesome shops in some of our high school!

Sonja Vandermeer: A double cohort for apprenticeship?

Sonja Vandermeer: everyone is welding face masks?

Sonja Vandermeer: Kevin, there was a time years ago (20?) that your college offered a hybrid AST. Students did theory online and then did a few weekends on campus doing hands-on skills. Is this still running?

Karen Gauthier - RPT15 Algoma - Co-Chair: all college delivered at Sault College for RPT 15

Derek Sousa: I'm not sure. What is Oversight?

Sonja Vandermeer: In oversight, the high school teacher would need to be a journey person.

Sonja Vandermeer: I think there are more oversight programs in the French language RPTs

Shannon McLeod TDSB: Matt is on another call right now but yes, we do

Sonja Vandermeer: Have other folks considered what the fall might look like for Level 1 programs?

Shannon McLeod TDSB: We have 15 Accelerated programs

Pat Piro: we run accelerated OYAP in Hamilton at the College campuses

Derek Sousa: How would one get involved in the Oversight Program? I am a journeyman Carpenter.

Sonja Vandermeer: Derek, best to connect with someone who is involved with the Regional Planning Team from your board.

cmaietta: TCDSB runs 16 Accelerated programs/partnerships. 11 SCWI OYAPs & 5 with Locals/DTAs

Derek Sousa: I am with the Dufferin-Peel Catholic DSB would you happen to know who is our rep?

cmaietta: TCDSB -no team taught or oversight

Sonja Vandermeer: Hi Derek, do you know Irene Mota? She'd be a good person in your board to connect with.

Sonja Vandermeer: and I believe you can pay for the challenge exams with OYAP funding

Sonja Vandermeer: I think a team-taught Level 1 is an awesome model. Two educators focusing on the same trade -- often with different practical experiences.

Sonja Vandermeer: Kevin's model is a great one, especially where numbers aren't huge.

Len: Do not all students need an RTA to participate in any level 1 class? I heard that an SCWI student did not need one.

Derek Sousa: I just wanted to say thank you so much for taking the time today. This has really been helpful

Stacey Hinton: Do OYAP coordinators request the non RTA seats on the biz plan? RPT? not sure who makes the request

Len: Is this determined by the regional Ministry office? I was told by our office that all students must have an RTA

John Kantola RPT11: Steacy, reach out to your RPT representative
