

SCHOOL-COLLEGE-WORK INITIATIVE / DUAL CREDITS

Ontario Youth Apprenticeship Program (OYAP) - Level 1 Programs MTCU Seat Purchase Confirmation Form

School-College-Work Initiative (SCWI) / Dual Credit programs are programs approved by the Ministry of Education that allow students, while they are still in secondary school, to take college courses that count towards both their Ontario Secondary School Diploma (OSSD) and a postsecondary certificate, diploma, or degree, or a Certificate of Apprenticeship. Regional Planning Teams (RPTs) may submit proposals for Level 1 apprenticeship in-school training; however, OYAP students **must have Registered Training Agreements (RTAs)** to be eligible for Ministry of Training, Colleges and Universities (MTCU) seat purchase. For more information, please visit www.scwi.ca or www.edu.gov.on.ca/eng/teachers/studentsuccess/dual.html.

INSTRUCTIONS TO REGIONAL PLANNING TEAM (RPT): Contact the local MTCU office to request seat purchase funding. Complete the information in the table on the second page of this document, print the descriptions of the relevant programs from the Ministry of Education's Enhanced Data Collection Solution (EDCS) and attach to this form, and bring them to the local MTCU office. Once the MTCU office has signed this form, submit it by email to David Armstrong at davidarmstrong@hurontel.on.ca. Please note that programs will not be approved without a completed and signed form. For more information on which SCWI Level 1 program delivery approaches entail MTCU seat purchase funding, see the annotated dual credit benchmark document in the annual SCWI Requirements online at www.scwi.ca/Requirements.

INSTRUCTIONS TO MTCU FIELD OFFICE: Approval decisions should be based on data which can be shared through the RPT SMART Goal Report and EOIS-APPR. Please have a discussion with RPT representative(s) that focuses on approved vs actual student numbers, retention and success in the requested Level 1 program(s). Where the previous year's results are a concern, the discussion may also include strategies to better select and support students AND/OR reducing the approved numbers of students in the Level 1 program. If seat purchase funding is approved, please complete the last two columns of the table – Number of Seats Funded and Total Seat Purchase Funding Amount. If seat purchase funding is not approved, please provide an explanation below. For more information about SCWI OYAP Level 1, please refer to *Pathways to Apprenticeship: Options for Secondary School Students* on the ETD Intranet or contact your regional OYAP lead.
