Welcome
Introductions of facilitators and overview of agenda for session

Estimated time: 5 minutes

Activity #1: Table Discussion
Discuss at your tables what you are looking to get from this session.
Provide reflection sheet.
Ask each group to share what they are looking for to help guide the panel discussion.

Examples:
• Authentic experiences... more than just a tour of the facility
• Transportation issues: costs; travel time

Estimated time: 10 minutes

Activity #2: Panel Discussion
We want to ensure we share...
• College organized events
• School board organized events
• Alternative delivery models: Day-Away events

Estimated time: 30 minutes

Activity #3: Tips for planning
Share with the group things to consider when planning programming
• What is your college known for?
• What are the students interested in?
• What services will students access?
• What food can you provide?
• What are the transportation needs?
• What are the organizational/operational needs at the school level?

Estimated time: 5 minutes

Activity #4: Challenges & Successes
In your table groups share any challenges and successes you’ve had within your program and work with your colleagues towards creative solutions for any challenges.

Time permitting (have groups share their challenges and solutions or seek input of others)

Estimated time: 10 minutes
Conclusion
Mary to conclude with some RPT 5 specific facts
