2.12 College staff involved in Supporting DC students

Successes:
- attendance tracking
- collaborations btw School Board + College
- Class check-ins/informal visit
- Compassionate + flexible professors
- Tour of the college
- Orientation sessions
2.12 College staff involved in Supporting DC students

Challenges:

- STFIC program is an add-on - juggle to fit into current role
- Easily distracted students - devices, etc.
- DisR's not adhering to college policies - not registering withdrawals deadlines
- Student selections not following policy - All should be discouraged, underachieving, some potential to succeed

- DC teachers not completing their roles or being present
- Behaviours in classroom (e.g., swac)
- Communication from faculty if a student is struggling

- Indecisive students - wish or unsuccessful
- Google Doc can be used for communication

- Distance/travel to college for DC
2.12 College Staff Involved in Supporting DC Students

Recommendations to SCWI:

- Clear policy direction for student selection
- Common Registration System (electronic)
- Webinar - college & DSB IT staff w/ Art Barron
  Pilot project to explain work involved.
ongoing communication w/ college administrators
(listserve, webinars, emails)
